CORPORATION OFFICERS:

This booklet contains the 1977 edition of the Not-For-Profit Corporation Annual Report. It is intended for use by either domestic or foreign not-for-profit corporations operating within the State of Indiana. For your convenience, we are providing one copy which is to be executed and filed with the Office of the Secretary of State in the month of FEBRUARY, and an additional copy, marked "Corporation's Copy," which is to be retained by the corporation for its records.

The General Assembly of the State of Indiana in Section 36 of Public Law #364, Indiana Acts 1971 (IC 23-7-1.1-36) has mandated that the Secretary of State is to more thoroughly audit not-for-profit reports. This requirement is the reason for the question asked at the bottom half of the back page of the annual report. If the difference between your corporation's receipts and disbursements is more than \$1,000 you must answer that question.

When your form is received in our office, it becomes the basis for input into our computerized record system. We also microfilm both sides of the report in order to facilitate storage and retrieval. For these reasons we request that you be very clear and very concise in your answers and take the time necessary to make the information legible. Printing or typing is requested. Illegible reports will be returned as unapproved.

NOTE: If the corporation has had a change in its principal office address or the name OR address of its resident agent, please be sure to use the form on the back side of this page to inform us of the required notice of change. It will be necessary for you to have this form separately signed and notarized. The statutory fee for filing this form is \$4.00.

I wish to take this opportunity to thank you for your cooperation and to extend to you the services of the Corporation Division at any time. If you need assistance in completing this document, please contact the Corporation Records Department at (317) 633-6576.

Sincerely yours,

Larry A. Conrad
