A PERSONAL LETTER TO CORPORATION OFFICERS:

This booklet contains the 1973 edition of the Not-For-Profit Corporation Report. These forms are intended for use by either domestic or foreign not-for-profit corporations operating within the state of Indiana. For your convenience, we are providing one copy which is to be executed and filed with the Office of the Secretary of State in the month of February, and an additional copy which is to be retained in your corporation records.

The General Assembly of the state of Indiana in Section 36 of Public Law #364, 1971 Acts, and also in IC 1971, 23-7-1-29, has mandated that the Secretary of State is to more thoroughly audit not-for-profit reports as to differences between receipts and disbursements. This mandate is the reason for the additional question asked at the bottom of the back page of the annual report.

If you have had a change in your principal office address or the name or address of your resident agent, please be sure to use the form on the back side of this page to effect the change. It will be necessary for you to have this form separately signed and notarized.

When your form is received in our office, it becomes the basis for input into our computerized record system. We also microfilm both sides of the report in order to facilitate storage and retrieval. For these reasons we request that you be very clear and very concise in your answers and take the time necessary to make the information legible.

If we here at the Office of the Secretary of State may be of any help to you, please do not hesitate to call or write us.

Sincerely yours,

Larry A. Conrad
Secretary of State
